My dear Ravi.

By now the exhibition of your
Mrs must be over. I heard through Helber and
Amberkar that it was a nice show.

Your own exhibition must be on now.
I wish you an grand success. previously it was
decided by him that your show will be held
in Delhi also. what happened to that proposal.
You should have given a chance to Delhi people
to see your latest.

I am planning to leave Delhi for
Leashom in first of week of ~~May~~ May. Delhi
is becoming hot and hotter day by day. 
The heat is unbearable for a man from hills.

I don't know whether we will be able to
see each other before you leave. May be any day
in Paris.

It is shamefull affair that our National
gallery has not acquiesced one of your works.

These days the painter or his paintings are not
important at all what is important is the politics
involved, favouritism, obligation things like these
have become part of the personality and in this
remotion of our culture.

you must have heard the news of Krishna's affair.
There were questions in parliament. P.M. condensed
publically the roll of Commissioners, regarding his
participation in the show in award giving function.

This year we are having child's camp in
Simnagar. I wish you were. in India till middle
summer. It would have been a great event to
have with us in Kashmir. I know you must
be packing to leave. May be some other time.

please drop me a line along with your
Paris address.

Give my best wishes and regards to
you Mrs. and Mrs. also sends ~~her~~ her regards
to both of you.

Yours
