Dear Ami -

I thank you for your card sent from Delhi a few months back with greetings from our common friends.

I hope your stay in India has been both pleasant & rich in experience & that you are already back full of ideas & projects for work.

I have been in correspondence with Rudi recently who as you may know is coming to Paris on Saturday 14th May. I will receive him at Orly at 8.45 am & will drive him over to Mrs Delmarle at Bécon Courbevoie with whom he will stay.

Rudi will very much like to visit you on Sunday 15th May if you would be free. But he has to take the plane on the same day at Orly - 16th 30. His marriage is fixed up for Saturday 21st May in Pennsylvania. I hope he has written to you & I should very much like his short stay in Paris is agreeable & we are specially coming down to Paris to meet him. If you are free on Sunday 15th, I think, it will be great ~~him~~ getting together. I am sure Rudi will love that & we too will

be very happy to meet you + know about your stay
& work in India.

We are leaving Gorbio (a small village near
Menton - our holiday resort) by car on Thursday
12th to reach Paris on the night of 13th. We will
hence only be able to contact you on Saturday 14th
to be able to fix up a programme.
