Dear Jeanne + Raze, thank you for your letter of 20.10. I am glad you had a good working summer and wish you the best of luck for the 9.11. in Schwager. I can know that ^{were} the results. The calligraphy is very good, some of the printing could have been better but the impression is good. In my text there are 2 printing mistakes. First line of 4. Paragraph: the word 'looser' is wrong. Did I say: loose? Second line from bottom (1. page) obstructionist! The French translation is superb, who did it? It is much better than the English original. Now I am proud of my text. I was 3 weeks in Russia
