Dear Raza . 9/5/66.

Thanks for your letter. I did not know
where to reach you. Yes I knew the dates.
Could you come with Rudi for early
lunch or (Brunch) 1130 Sunday the 15th.
so we would have a few hours pleasantly
to gether to talk until \pm 15^h in the after
noon when you will have to leave for
the Airport at Orly. I am very much look-
ing forward to see you Janine and
Rudi and I am extremely happy that
Rudi met such a nice person as
Duci Blake with who I had lunch in
New York. Most sincerely yours Ernst.
