PARIKRAMA:

Around Gandhi

On the eve of SH Raza's 92nd birthday, Vadehra Art Gallery presents an exhibition of the Modernist Master's new works executed after his return to India in 2010. Raza saw Mahatma Gandhi in a public meeting in Mandla, his hometown in Madhya Pradesh, when he was 8 years old. This 'darshan' left an indelible mark on him. Whenever he visited Delhi from Paris between 1950 and 2010, Raza visited Rajghat to pay respect to the great soul at his samadhi. He has always been inspired by Gandhian deeds, concepts and word
