Dear Bhaijan,

Thanks for your letter dated 23rd March. I am sorry Bhaijan if I would have hurt your feeling in any way. Please forgive me. In future I will not be writing to you on this subject it is entirely your personal matter & you ^{know} better how to cope with it. Though we are sorry for Bhabhi but I see no solution. It's up to you to do what you think best.

Bhaijan I hope you will keep ^{on} writing to us, as we are ^{always} ~~very~~ anxious to hear from you. Taj is specially very anxious to meet you. Could not come to Kuwait for few days to stay with us? It will be so wonderful. We have not seen each other from last ten years. Do let me know if you can do it? & also if not what are the obstacle. May be I could solve a few of

-them. But your coming to Kuwait will be wonderful you will find lovely subjects to paint. Bhaijan do manage for few days only. We had a good mind to come during our leave but I am more anxious to make a house in Karachi or Pindi this time then to spend on touring Europe. The house will cost approximately six to seven thousand + I will have only that much when I go on leave. If I succeed in doing it this leave then next leave we will spend in Europe. Could you tell me how is standard of living there. Is it very costly? Jay was ~~saying~~^{telling} me to ask ~~you~~^{you} whether you can send anything by post from there but I do not due^{to} fear that you may not reply my letter. So what I care more is a letter from you then anything. If for ~~know~~ how much do you sell your painting. We may buy a few. If you send us some of the printing^{ed} specimen.

Hope to hear soon. Dolly sends her regards.

Yours Loving Brother
Hasan
