My dear brother,

You will be astonished to find this letter unexpectedly. As a matter of fact since a long time I was contemplating to drop a few lines but I was handicapped due to not having your latest address. I am sending this letter on your old address and hoping that this will find you hail and hearty.

I think the romantic and most glamorous environments of Paris must have improved your art immensely. Besides this the art loving people of Europe have always encouraged the artist. I really appreciate your action for settling there permanently. By this action you have certainly saved your art from utter disaster.

We all are quite happy here. Please do not hesitate to let me know if I can be of any service to you. I shall be too pleased to do anything for you over here.

Hoping to get an early reply.

With best regards,

Yours affectionate brother,

Ibnul Hasan
