Popdy Day! — "Katharine Bates"
Popdy de Cate de Bel —

She has stayed in Ahmednagar

Yashwant Mangaldas family

I know you will be as
nice to her as you have
been to me for the couple
of days that she will
be in Paris - I am
sending a silk Sari with
love for you - I believe
you wanted to give it to
your Brother's wife or something
I liked that Sari so much
& in case Joanne likes it
let her keep it for herself
& I'll send another one for your
brother -

I hope you must have received
by now my two letters - & do
write to me soon regarding
everything - I have finished
a large painting I have
been working on for the last
2 months & its turned out
good - I wish you could
see it now - ~~was with~~
