

My Dear Raza,

I am delighted to announce my arrival in Paris ~~from~~ on April 27. I will stay on for a week before proceeding on a month-long tour of the U.S.A. I do hope I shall be able to meet you and Janine.

I have written to Anil requesting her to arrange for a meeting ~~for~~ of all our friends. I shall be grateful if you got in touch with her and fixed up something.

I am going to stay at Hôtel Meridien at the Place ^M ~~Ch~~aillet. I will call you as soon as I get there.

In case you need anything from here do let me know at once.

There is so much to tell you of all that has happened these past two years!

Love to Janine. See you soon.

Yours truly,

Dileep
