My Dear Raza,

I am giving ^{you} the news, most probably
I will be in Paris, first or second week
of October, I think I will get the French
Govt. Scholarship to stay in Paris for
six months, with 750/- Francs a month.
I will need a place where I can
stay & paint; will you please find me one
I do not want to go to the Louvre or
have a glass of milk. as there will be plenty
of wine... A gentleman named Jean Louis
de Gunzbourg will give you a parcel
will you please keep it for me.

I want to paint there, see painting
and meet the artists. Akbar is here in
Bombay. See you in Paris.
