London yesterday or today from Delhi + I got  
25 catalogues from Vakil + gave it to him

note in Paris before you leave for Gorbio!  
Your kind enthusiastic invitation is  
piccolating! getting me real exciting  
in every manner!! And since my trip  
to Europe is definite, the idea of coming  
to Gorbio is great! My brother Sirjit &  
pustpaji are in England holidaying & will  
be back by end of this month - & so I'll  
be able to decide my programme by then  
& will write to you accordingly - But before  
that you could drop me a note giving me  
details of how to get to Gorbio - Via Paris  
as well as ~~by~~ Via Italy if on my way to  
Europe - ~~to do so~~ ~~that~~ if that is possible -  
Is there a train from Paris or bus or by Air!?  
the route etc, do give me the details that  
will help - Anvashi is - 10<sup>th</sup> std last year at

School exam like our Indian exam so she has to wait  
another year before a trip abroad - I am trying  
to make a adjustment so feet can come along - so
