My dear Rudy,

Your letter of the 14th June. I regretted you
did not = feel disposed to do the article.
Mr. Waldemar George also. Indian painters have
today problems that are the same all over the
world and your article would have been ~~entirely~~ ~~to be of use~~
at least ~~apparently~~ Regional traditions hardly ~~seem~~ to exist.
Whishishic research is ~~not~~ on the same plane
as scientific research. only in science, we recognize it
quickly.

It would have been ~~good~~ ~~to~~ ~~know~~ ~~your~~ ~~ideas~~. Rika

polished articles in so many reviews. Finally
we have ~~decided~~ asked Mr. Shamlat to do the

old.

and so at the
