My dear Raja -

I am sure you must have by  
now received my letter ala photang, photang written to you  
from the Ritz Bar! Did you feel it!! I wish I had  
made a copy of it - ~~it seemed~~ <sup>it seemed</sup> ~~that~~ <sup>intriguing</sup> -  
(got into the mood!)

Well, at least I have set down + written the letter  
to the Director des Beaux Arts: in regards to the  
Paris Exhibition - a copy is enclosed herewith -  
I hope it is not bad + will suffice for the  
necessary work - I wonder if during all this  
time, you had by any chance run into or talked  
to Madame Leger or with the Director des Beaux Arts - but  
maybe not since you didn't write to me till  
now - I think it would be very nice if you  
if you would after a couple of days of receiving this  
letter, try + ring up the secretary + check if they have

received the letter & if they have <sup>by</sup> been allotted  
the date for our solution - I am sorry it  
again gives you a little more trouble - but  
then you are my boss - so h. go! -

It will be after I get the confirmation that  
I'll get into solidly working to organize  
the show ~~is~~ in the right manner -

~~My dear~~ you must have known through  
asked in regards to my <sup>thought</sup> ~~to~~ to ~~run~~ the  
gallery on a non-profit basis - Well  
anyway since I have come back from  
Paris, on all the sales that I have  
done I have charged only 15% percent. for the  
gallery - since I believe that all non-commercial  
organizations do charge nominal amounts for the  
organization to go on - I think this will meet  
your approval - & ask her as well - I will write it ask her in detail  
which I have not done till now because of my silly moods of course -
