

Dear Lore and dear Tanine,

Although you know this card so well,  
it is the only message that works for us now,  
at this time of Terrible uncertainty and suspense—  
a lull before the next storm— We have lost our  
sense of self-respect, our dignity, our harmony—

I am glad to hear you are both coming to Bombay in January—  
When will you reach Delhi?

I hear your beautiful message about the party  
given for Helpage India, and am currently  
working up the pieces for the Catalogue—

It will be good to see you—

Our love and warmest wishes for a Safe New Year

In the midst of death life persists,
