Raja Sahib - bus mood

aa-gaya! My horse is feeling
normal after all these bloody months!

So I must take a trip abroad
to get involved in paint & painters
to lubricate the muscles which
sort of became stiff during my
last visit!! Till when are
you going to be in Gorbio?

I am planning to go to New York
& stay ~~at~~ there for c. 3 months if
I can get a Studio Apt & am writing to
Natwar to fix it up - it seems it is possible
as people in N. York go out of town for short

periods I don't mind giving their flats
or rent accordingly - if I can get
some accommodation say in September
or words then I could leave from here
about the middle of August & spend
10 to 15 days with you & Janni - this
time I travel by myself only & so
if it is possible & ~~a~~ does not disturb
your peace, let me know straight away
& I'll arrange my programme accordingly -
Maybe I can also sit & do a painting
or two, since the mood is there, so
I won't be a nuisance! just geysering
around! if I came to know anything
specific from N.York, I can always ring you up
in forbio or send a cable! Things otherwise
set along - Urvashi passed her 10th std & 9 CSE &
is now attending 18th year junior college ^{Aty} & of course having
fun! Have not heard from Akbar regarding Solanki death? Any
idea? will write again, after leaving from your lovely place
