Raza Shit - Walla Kya Bat hai!
no news - long time -
o/course I received a letter
from the Director Galleries
Museum. expressing their
regrets for not being able
to give us the gallery
for our Exhibition in Paris.

I am sure you must
have known in regards
to this quite a time
back & am surprised
that you have wrote to
me - what happened?!

Were you feeling so bad
that you didn't feel
like breaking the news to
me -! What the hell
you should have written
to me anyway - I can
assure you it didn't
break my heart, for
I am happy I got the
news at last, for I was
fed up waiting for it +
in a silly suspense
+ ~~was~~ just depending
on this programme + just
being stuck - how I feel
fine - I am free - at last!

Alber & Krüger had their
Exhibition in Delhi & both
v. Successful — Alber
has taken a flat on owner-
ship basis in Bombay —
so I am sure he will
now visit Bombay every
year — Why don't you
also do the same —
it would just be al-
most perfect! — When do
you leave for America?
Don't be surprised if you
find me there. —
I have for the past

two months been busy
on a large painting I am
working on - its still not
complete but its coming
on - after I finish - I
will go to you & you & James
just come over & approve
or disapprove of what the
guy is doing -
Yes! - how dont dissapoint
me!! How are you
both? - painting & Photography
each other!! I am sure!!!
boy, live it, for thats
all that matters - love - love
I.L.

P.S Please give the book and letters to Krishna Reddy Thiruv.
