

Rome, 10th Oct '83.

My dear Raza,

This is the last lap of my journey and day after tomorrow I fly back to India.

Whilst at Elba, I wanted to talk to you in Paris and tried at least three times at a number I had brought with me in my address book which was 805.1216. It was a strange man who was replying and I just had to give up in desperation ~~but~~ because I could not understand what he was saying and obviously it was a wrong number. I will be very grateful if you would let me know whether the number is wrong or ~~what~~ was the exchange from Elba connecting wrongly?

On the whole I have had a fabulous holiday and I

get back to Bombay looking forward to put in real hard work. I do not know what is happening at the Gallery and how far Kekoo has got through on the various fronts. He wrote me only two rather sketchy letters and the third one was I believe addressed care of you at Gorbio. Did it come whilst you were still there? I am sure you will have re-directed it to Rashna.

Well I don't know if you have forgiven us not getting to Gorbio. As I said co-ordinating so many peoples plans was really difficult and though Bruggiano in Toscana was beautiful, it could hardly compensate for your & Janine's company.

Much love to you both & do write. Looking forward to welcoming you in Bombay.

Over
Rhoshed.
