

~~the~~ Proff. ~~the~~ Krishna is here these
days - dialogue. marvellous!
and is also having his show
in the Taj Art Gallery - and
a good show if I may add -

I remember in another of your
loving cards I received from
Europe I was thrilled to learn
that both of you liked my
paintings that you happen to
see there - because of this
baby who occupies my studio
in the 7th Heaven it has been hard
to get into the mood of painting
but ~~that~~ ^{now} that Ram visited
here for a day before leaving for Europe
and now Krishna is here - & I am

has also started to work after
a lapse of almost 3 months
and Husain is ~~also~~ back from
his trip abroad & with the
thoughts of you being here
~~to go & start to drawing~~
I guess the atmosphere is just
getting into the mood for me to
do a large Canvas before you
arrive - Insha'allah!!

I think Akbar must have
arrived in Paris by now &
as I hear he should be also
here may be before your arrival
and Ram of course should be
back ~~at~~ by then - I think it
will be great that all the
eyezers will be together after a
lapse of 7 years ^{itch!} - that really calls
for a Summit meeting al' Phty Phty
so come soon love + Bal + 2 Poppies
