My dear Raza

Mubarak - mubarak.

My hearty congratulation on this happy occasion of your first one man show in Paris and for the Critic's award.

तु शाही है परवाज़ है काम मेरा
जोरे सामने आसमां और भी हैं -

I went up to London and had planned to break up in Paris on my way back, instead I rushed back to Prague again and one fine morning I realised that Badar Bagh does exist.

We have planned an exhibition in November this year of about eight painter's works, and they are as follows

Satish Gujral - Ram Kumar - Kulkarni

Khanna - Samant - Gaitonde

Husain - Ram Kinker and Bendre (doutful)

It will be shown first in Delhi, then hope to be taken over to Bombay and Calcutta. Though being the first attempt to break off the usual affairs of ~~man~~ several exhibi

annual exhibitions of all India
nature, this proposed venture
faces a great deal of obstacles.
Any today let us begin. Our
selection of works would have
been proper to some extent ~~if~~
with the inclusion of your
and Akbar's works but time
and other commitments may
not permit.

I shall write to you all
about this show and do write
about your work and Akbar's.

Please forgive my poor english.
Adabs to Akbar family in you.

Husain
