Dear Mrs Bhargava,

The sad events in India have been heart breaking. The entire French press, radio & television have covered the news & it has made a tremendous impact here. We have felt & lived them deeply. In anguish, we pray for peace & hope that wisdom will prevail.

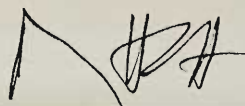

Your letter dated 11th September was received in Gorbio. I was unusually busy with work & could not write. However I was glad that you are using all the 3 transparencies. I hope that they are already processed now & that you can send them back to me by registered air-mail at your earliest convenience.

Regarding the Cheque for Rs 750/- it can be deposited in my savings account in Bombay with the letter enclosed here with. If this is not possible, please send it to me & I will sign it return it to my bank. In any case please keep me informed.

Please keep the off-prints - (250/300 copies of each) with you. I will only request you to send ~~me~~ me 10 copies of each print here. There is a slight chance of my coming to India in Jan. Feb. 1985. If the plan does not work out, I will tell you later where the prints should be sent. However, the copies of the printed book, I will very much like you to send me here. It's a very enriching experience to read Hindi poetry or literature in Paris.

Also please keep me informed about the book you plan on Contemporary Indian Painters. I will look forward to hearing from you & receiving my transparencies -

Yours sincerely,

S.H. RAZA
