Dear Mamoojan,

DR. NASIR H. LAIDI
C/o MR. NAJAM HASAN
276 - VISTA PLACE
WINDSOR (ONT).
CANADA

Adab,

We all reached here safely.
From Paris to New York the Journey was smooth & comfortable but the hostesses Service was poor.
By Air Canada we reached Toronto from New York.
Najam and Anoo received us ~~here~~ at Toronto, from where he drove to Windsor, which is about 300 miles away.

It is extremely cold place. Heavy snowfall greeted us in the morning. The climate suited to Annamajan and Abbajan. They liked the place. We all are staying with Najam, but soon I & Hooma plan to join Hospital.

On Saturday Bhaijan came from Chicago to see Annamajan and Abbajan. He left for Chicago on Sunday evening.

Mother & father convey their love to you. Hooma sends his love to you.

Yours loving

Nasir
