

Bombay, 24th Feb. 1984

My dear Krishna & Prem,

Just a few words before I take off.

It has been a wonderful stay thanks to you both & all our common friends, in Delhi, Bhuj, Nafun & Bombay. I am leaving deeply touched. We can never do that in Europe - not even a fraction of this overwhelming affection.....

The Chemnitz showing is well received. Now tomorrow, Paris & all its followers. But I am equally determined to face it. Will keep you informed.

most affectionate thoughts & love -
