Dear Shri Raza,

I am writing ^{to} you after so long. -
Please excuse. I was in Bombay during last
week for Govt. Work. I was glad to know about -
your arrival in Bombay with your wife. I -
managed to get your address through Mrs. Gandhi
of M/S Chemould Ltd. I could not meet you , -
however, as I had to come back to Aundh for -
some urgent work. If not inconvenient, Please
let me know details of your tour programme. It
is likely that I am coming over to Bombay, in
the first week of next month, when I shall try
to meet you.

Please write. With kind regards to
self and your better half.

Yours Faithfully

Assistant Curator.
