My dear Raya,

No bounds to my joy on receipt of your letter regarding your plans of going to Paris for higher studies. At intervals I had been reading in news papers about your exhibitions at Bombay & Naffur. I wished very much to have gone to see your exhibitions, but circumstances did not permit. I wrote to you last year from Betul to your Naffur address expressing my keen desire to see you, and requesting you to break your journey at Betul in case pass through that station on your way home.

As for your birth certificate, I will go to day to the District court and submit an application to the Head Copyist ^{District Court, Narsimh pur} for the same.
