My dear Raza,

We have received news  
of you & Janine through Bal & Iyeb &  
I have been wondering if you are  
planning to visit Delhi at all. I  
wish I could have visited Bombay  
in time to see your exhibition but I  
have been caught with various things  
to do here. Thanks for sending  
me your catalogue which is  
handsome indeed & I have kept  
it along with all the others sent in  
the past. I have to visit Bombay  
as soon as I finish a painting I'm  
working on at the moment. What  
are your plans? When are you leaving  
Bombay on your travels. It would be  
a pity if we couldn't meet whilst you  
are there. Do drop me a line -  
Love from  
Krishna
