(1) We are anxiously waiting for the Photograph of your 'Still Life'. By the 25<sup>th</sup> the lay-out <sup>of the invitation</sup> ~~+ material~~ <sup>+ posters</sup> complete with ~~photographs~~ has to be given to the printers ~~for the go~~. The poster will be simple, but we want the invitations to be as good as possible. Akbar has ~~given~~ sent you a lay out. Let us know what you think of it. ~~Nooruddin writes to say that~~ Since you have excellent still lives, it ~~may~~ <sup>will</sup> be a ~~good~~ <sup>right</sup> idea to print one, ~~which is vertical pt~~ <sup>But that should be</sup> ~~that~~ <sup>is necessary +</sup> for the lay out. ~~Send us the photographs as early as you can.~~ To give the printers a complete idea of what the invitation will look like, we have asked Marc Vaux to give photographs of the exact size of invitation. Your still life or Christ will come on the central page like this.  
Now, ~~if you~~ <sup>good thing</sup> send us ~~photographs~~ of the still life at the earliest, and if you can ask for a reduction ~~of~~ to this given height so that as specimen we can paste it on our layout + give to the printer ~~along with~~ ~~an~~ exact idea. ~~For~~ block a bigger print will ~~photo~~
