My dear Raza and Janine,

I tried to ring you this morning but nobody answered the telephone. I expect therefore that you will be away on holiday. Should this reach you before I arrive on 29.9. 14.20 by LH 252 (probably to Dourest). I hope to see you. Mr Risse of Rhone Poulenc (Alme 4000) knows my Hotel. I want to go to Ernst Seyden on Friday or Saturday. I have to leave on Sunday 4.9. very early in the morning. I hope to see you and Janine and have at least one day together.

Love to you both  
Rudi

Rise will arrange to meet me at the airport. Perhaps you can come to the Hotel and we have the 4 in evening together.
