My dear Raza, Am enclosing the Insurance attestation, you will remark that it is valued for 3 months, but my insurer - Concert couldn't do better till he came to know the exact sum from the Company - when Solange comes back to Paris in September she will get the new attestation of 6 months and send it on to you, in the meantime this will suffice.

I hope you and Janine had a nice time in Gorbio, and have recovered fully from your fatigue of redoing your atelier. My studio has been repainted by the pompier's and looks splendid, I feel sad to leave just when it's been redone! Solange & I are going to Rome on Sunday 20th. and from there I fly to London on the 27th. Will be writing to you, All the best to Janine & yourself
Affectionately Akbar
