

Mr & Mrs S. H. Raza,  
GORBIO  
06500 Menton  
France.

NO ENCLOSURES ALLOWED

Bern, 14<sup>th</sup> / Sept '83.

My dear Janine + Raza,

You must be waiting to hear our plans as to when we are coming. Things have not been working out what with having to adjust so many different schedules of four or five individuals and alas it seems that we will have to abandon the plans for coming up to Gorbio. I know you will be terribly disappointed and so are we! Bankie has to go to Iran and comes back only on the week-end of 24<sup>th</sup> after which he has some very important work at the office. Anisha goes for camp just at this point and does not return until the following week-end. We are free to go somewhere only from 2<sup>nd</sup> Oct onwards but then you leave Gorbio on 3<sup>rd</sup> - is it not?

After a lot of juggling about trying to see how we could do things, we came to the conclusion that Gorbio really does not fit into the plans. If for no other reason but just to be able to be in your beautiful home once again, I would have loved to make it. This time however, we had so many important things to discuss - the dates for your exhibition with us and how we do things properly etc. This therefore is going to upset you. I promise to make up by replying very promptly for any correspondence you send me or any reply you want from me.

Let me give you a quick survey of what has been arranged so far for Chemould's celebration programme. We have booked both halls of Jehangir Art Gallery for one week and we open with Pilloo's sculpture show and Tyeb's exh. simultaneously. At that point we will be showing Pilloo's drawings upstairs (the ones she did immediately after her breast operation for cancer). This drawing show can also end around 16<sup>th</sup> or 17<sup>th</sup> and say we start with

much love to you both + looking forward to welcome you in Bombay.  
Our sincere apologies once again. Ever yours Khosha.

address in Elba is c/o Mrs INGHAM,  
Capoliveri 57031; Prov. di Livorno  
Italy. The Tel. (0565) 968505.  
H 6<sup>th</sup> - 9<sup>th</sup> Oct

your exhibition in our Gallery on 20<sup>th</sup> Feb. or thereabouts.  
You say you have to leave Bombay on 24<sup>th</sup> Feb. - if by  
some chance you can <sup>stay</sup> four or five days more it  
would be perfect otherwise we would have to make the  
most of the four days you would be there after your  
inauguration. How does that sound to you?

Gianni is having his exhibition on his own from 10<sup>th</sup> Jan  
for one week at the Jehangir because the <sup>private</sup> gallery does  
not have a policy for giving their premises to commercial  
galleries for more than one time in a year. To have given  
two halls together is a very special favour - they have raised  
their charges just recently and we will be paying Rs 12700 ~~for~~  
to Jehangir Art Gallery for that one week as rent!! They are not  
exactly helping us to exist, are they? If you want to correspond  
with me or talk to me on the phone, I will be in Elba from  
16<sup>th</sup> - 9<sup>th</sup> Oct and for two days in Rome reaching B'bay on 13<sup>th</sup> Oct. My
