

Paris, 23rd Feb. 85

My dear Akbar -

Back in Paris, I saw Raissa yesterday - at the ~~other~~ Eglise réformée where there was a ceremony in memory of Solange.

Raissa seemed to ~~be~~ be in good form. I delivered her your message & it is agreed that we see each other May soon.

Hope you are well & working & that you will come as planned in April. Both Janine & I feel that Raissa needs attention at present & your presence should be ~~very~~ help.

Love from us both
