Der Rara Sahibi:

I can't imagine what has happened to your trip to Delhi - Perhaps you didn't have time to contact me! A pity, since we had planned an evening with friends.

Anyhow, it was good to greet you both in Bombay -

The Lalit Kala Akademi is ready & typed

and I will be grateful for your comments.

I had hoped we could work out the visual details while you were here, but in any case

the text will be delivered to ZKA.

What of our exhibition, planned now for October?

And the film? Will you be able to give us 3 new works? Please do write -

Love to you and Janine,

Geeti.
