Dear Mr. Raza

you must be having nice days in artistic atmosphere of Paris. Now a days there is something going in my mind about coming to Paris.

For some differences with Mr. Aluskar, I had to resign my post of school of Art Teacher. Now I am thinking of coming to Paris for some studies. About the finance arrangement, I am trying and have good hopes. Please try to get me entrance in any good Art College in Paris. Through your influence or through the Consulate, please arrange for admission without submitting specimens. If at all the necessity arises I ~~can~~ may speak here to M. Jourdant, and get a letter from him.

Also let me know ^{all} about the institutions and other activities in Paris Art Circle.

Art activities here are in Progress.

Bataf Singh is having his show in January, our Annual show in January 12th to 21st. Chetna Art-gallery is in Progress too, without any sale.

Padikar is also thinking of having one man show in March. He may write to you in due course. These is show is on 19th January. All other things are fine. Give my regards to

Padamsee. I have started my French classes, and wish to get a fair knowledge in time.

Please arrange for entrance, and write.

Yours sincerely
Laxman Lal...
