26th July 1980.

Dear Mr. Raza,

At the outset let me introduce myself, I am Mumtaz, daughter of Mr. Sultan Ali. I am an artist myself, essentially a Print-maker and have taken part in all major Exhibitions in India and abroad including the National Exhibition and II International Triennale in Delhi, and have had four one-man shows. I have also had the honour of having Solo Shows organised by different Museums and Art Galleries in Nigeria, Papua New Guinea, Washington, Fiji and Los Angeles. At present my solo show is on at the Museum of Anthropology in Aberdeen, Scotland. In this connection the British Council have very kindly offered me a 12 day visitorship grant to visit London and Aberdeen and see my Exhibition and also have a look at the various Museums and Art Galleries in London.

Since I will be very close to Paris, I have a desire to visit and see the famous Louvre. As I have nobody known in to me in Paris with whom I could stay for three to four days, my father suggested your name, to whom I could write and request. You may recall that my father along with Mr. Mittal had visited Paris in 1968 and were staying with Mr. Krishna Reddy, who is well known to my father since his younger days. Mr. Amelkar too is a dear friend of our family.

As far as my air-fare and other expenses are concerned I will bear it entirely. My only request to you would be to put me up for 3/4 days within which time I shall see Louvre and other Museums in Paris.

Since I am travelling alone I shall venture to visit Paris only after

hearing sympathetically from you. The British Council have tentatively fixed my dates of stay in London from the 1st to 12th Sept '80. As such I can leave for Paris on the 12th Sept and remain until 15th Sept '80. I shall however confirm the dates to you more definitely after hearing from the British Council.

Looking forward to hearing  
favourably from you.

Mrs. Raza.

With kind regards to you and

Sincerely yours  
Mumtaz J. A. Khan
