My dear Ram, Welcome in Europe! I am glad to learn today that you have been invited as a guest to the Prague Spring Music festival for 4 days. Prague is overbooked nowadays and it would be difficult otherwise to secure for you accommodation. I sent you a wire to this effect suggesting to ring me up any evening (Residence phone Number 460 889) - to let me know about the exact day and flight No of your arrival. I hope you will bring your cello and we are still trying to arrange the exhibition. It is rather difficult but I did not give up the hope yet. Both your letter and telegram have arrived. I don't know how long you will stay in Paris, but it would be fine if you could come on the 20th day if you get reservation as a special jury of the National gallery is in session on the 21st and Br. Rajk would like to buy some of your recent paintings for their collection. Best's O.K. We all are looking forward to meet you and please let me know when you are coming.

with affection
M. J. H. M.
