My dear Raza,

I hope you remember that you wrote a letter to me (Satish's mother) long ago. Thanks very much for your kind letter. Really you saved me from great worry.

Again I did not hear from Satish since long. I hope he is quite alright hale & hearty. I cannot understand why my boy has become so lazy in writing lately.

You know mother's weakness, I am feeling so worried & restless. I do not

know what to do. My thoughts are always with him.

It will be very kind of you if you give me his news & present address.

Sorry to give you all this trouble.

with best wishes

Yours Sincerely

Rani Kapoor
