

15 Rue de POISSY

P A R I S. V.

Dec 8/55

Dear Mr Raza.

I am afraid I cannot arrange to call as you suggest since I am overwhelmed with all sorts of appointments and some important people from Barcelona are here to see me.

However, I will try and go along to see your work next week on Thursday.

If you do not hear to the contrary , before then, you can , if you are free, expect to see me around 4. pm.

Sincerely yours.

*Barnett D. Coulson.*
