My dear RAZA ,

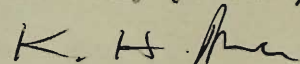

How are you and your shrimatiji ? I hope you are very well and thank you for the very kind co-operation received from you during my visit to Paris. I am grateful to you and your shrimatiji for all the help.

Since I left Paris, I did not write to you about my tour of places of artistic interest in the WEST. I visited places of great importance from the point of view of ART and liked them. I hope, I may utilize the experience and knowledge I got from my tour, in my future artistic career. I hope you will kindly continue to show same affection to me. I hope to see you no sooner my work gets ready. I shall keep you informed of the progress.

Mr. & Mrs. Leyden have come back to India: They keep sound health.

Thanking you once again for all the guidance and help which I received from you and shrimatiji,

Sincerely yours ,

(K.H.ARA)
