My dear Raza, This is being written in a wild hurry. I only hope that this reaches you in time. My plans have had to undergo a slight revision on account of my father's illness. He is better now & I am planning to leave here on the 12th Sept. & after spending a couple of days in Bombay, leave for Paris on the 13th by Air India flight III which arrives in Paris at 00<sup>(8pm)</sup> 20 hours on 14th. I shall spend only ~~two~~ <sup>or three</sup> days on this occasion as I want to be in New York on the 18th & after spending a week there, to proceed to Washington. As I have not heard from you I'm presuming that you & Akbar will be in Paris at the time & as I said before, that is the sole purpose of my visit. You can fix me up anywhere you like - you know I'm not just sy & certainly not for such a short time. - I wonder if Wendy met you. We were delighted to see her here. - I have done a couple of really good paintings & I am feeling my way to a new & a maturer direction. I hope I can show you some transparencies in Paris. I don't suppose you know yet that Bal has got married! He announced this to me over the telephone from Delhi airport a fortnight after he had got married.

At the moment he is honey mooning  
in Kashmir. Goodness knows when  
he is expected back. I'm hoping I'll  
see him in Bombay before leaving.

Renu is now teaching full time,  
keeps her fully occupied & she's  
happy, sends her love to you both. I have  
come to a working arrangement with  
Kumar which suits me fine, this  
provides me with some regular funds & gives  
me the liberty of painting as I like. He is sending  
a show to Essen, Germany in which 4 of my paintings  
are included. The Essen Gallery has bought them  
all! - Fond love to you both & see you soon -  
meet me at Les Invalides  
As ever Krishna
