Raza, dear Friend, and Janine

Thank a lot for your letter; j'écrit  
cette lettre en Anglais parce que il faut  
trop de temps d'écrire en Français.

I hope you spoke to Mr Delbarle  
and made some sort of programme.

I thought we leave things open and see  
what we could arrange when I am there.  
But it would be best if you find out from  
Mr Delbarle whether she wants to go with  
me on Sunday to Enns U.L. and then ask  
E whether he wants to go there. It would  
be great fun.

In that case I would stay with Mr Del-  
barle on Saturday, probably tell Maria  
Hudson and her daughter to come over in  
the afternoon and take Raanan out in  
the evening. She must have me alone to  
herself at some time. So arrange that  
you can with her and with E. I shall feel  
in luck. I met Keeshoo yesterday who gave  
me good reports about you. I shall be  
so happy to see you too.

I should go straight with you from Orly  
to Reims. We can have breakfast  
there as planned. I shall probably want  
to sleep first.

Love
