

PARIS,

9th April, 1991 -

My dear Tyeb
My dear Joking -

Just a word more
following my last letter.

Yusuf from Shopal informs me
that B.B. agrees give me back
your painting I acquired in 1985
& that soon it will be sent to Chencould
in Bombay.

I am writing to Khosla to keep this
in deposit until I come. This painting
will not be for sale, I have forewarned
her. I have also suggested to you & to
her that if keeping at Chencould will be
inconvenient, that you could perhaps
take it to Juhu.

In any case, please see that the painting
has arrived & is in safe hands.

Much work here, with two exhibitions: Cannes
28th June, 17th August. Retrospective in Museum of
Menton - 28th August - 7th Oct 1991.

Fond love - from Jamine +
