My dear Raza,

Kajani & I returned to Bombay towards the end of July, after a very enjoyable stay in Europe - we were both most impressed by the standard of design & craftsmanship in Denmark.

Danath was away when we returned. He has just come back to Bombay, & I am enclosing the receipt he gave me for the £10 M.O. he sent in England. He says he did it personally. Perhaps you can claim a refund from the Post Office.

Remember us to yr. wife. We are both looking forward to seeing Asha when he comes here in Dec. What about you?
Yrs. Shirish

enclose a order to yr. friend +
keep only the counterfoil? You
have until 25.11.61 (6 months
from 25.5.61) to cash it. I have
only just realised the mistake (I
didn't when I gave me the
paper) & I don't think he has
realised it at all!
