

Q.Q.

My dear Children,

Your letter was one of the most beautiful I have received and I feel your love for Mema, this profound sense of love, your love for me and the utter feature to believe the fact. L'air de passer la vie même - c'était le cas de Mema. How deeply Janine has understood best. She saw the same in you, was happy when she came to your home, seeing the signs of intense and true living.

I wish I could be with you but I don't think I shall come before end '65 or spring 66. Let's see how things shape. I see a lot of Asher and spent a few happy days with Krishan and Renu in Delhi. We spoke to much of you. I brought a drawing of Krishan, very good. I am very grateful for your love R
