My dear Pudi-

I hope you received my last letter - dated 22nd April. Sent from Paris - Informing you that we will be at Orly on rendez-vous - Saturday - 14th May at 08.50 AM.

We are already in Gorbio - but before leaving Paris, I talked to Mrs Delmarle on phone. She was glad that I called + suggested that we bring you directly to Béron Coubergue from Orly + that we have breakfast with her. I accepted. I could not join Ernst but I shall write from here + will ring him up too - to see if we could visit him on Sunday 15th May, before you take off at Orly at 16th 30.

So all is well set to go. We have a wonderful weather here. Bright sun. Dense blue of the Mediterranean sea. Big cities are unhealthy + the change is so comforting for us.

Pudi - we are looking forward to seeing you. If there is the slightest change in your programme, please write to us here before 10th May - or later to Paris.

Love - PH Finney
