S. N. GHOSAL

Dear Monsieur Raza,

I hope you may perhaps
remember meeting ^{me} in one of my Exhibitions
held at the old Exhibit Gallery (by the side of
the All India Radio, Parliament Street) of the All India
Fine Arts & Crafts Society, New Delhi, in 1949/50.

Many years have passed since,
as we have fallen thousands & thousands of miles
apart. We in India hear about your sweeping
success as a great painter, having a distinguished
place among the painters in Paris. I am at the
Govt. College of Art & Craft, Calcutta, as its head of the
Fine Art Department, since 1954. I was in London
in 1954 & 55, & held two one-man-shows there.
I also studied at the Slade School. My Exhibition
at Paris could not come off then as I had to
come away very soon. I have exhibited in
one-man-shows many times in Delhi & Calcutta
also. I shall be again in Paris & London

To Monsieur Raza, 15, Rue de Passy, Paris 16

in the summer of 1963, from June to October. I have
just written to the following Galleries in Paris
about my intention to hold an Exhibit of my works
in their Galleries. I have sent some photographs
of my recent works ^{to each of them}, and enclosed an Exhibit
Catalogue which would give them an idea
of ~~at~~ my life & activity, my style of work
and comments in press etc. etc. Would you
be kind to a fellow painter for your land
and help me ~~in~~ with your great influence
in securing the help of one of these Galleries
to ask them to arrange my Exhibit
any time between June & October in 1963?

Shri Bimal Das Gupta, a great friend of mine, who
went recently to G.D.R. on a Cultural Exchange
and passed through Paris spoke many kind words
about you, he said ~~by~~ you were too kind and good
to him. Please do write to me soon. I shall look

forward to meeting you in Paris in 1963, with my
best wishes & kind regards, I shall feel yours truly
very happy if you see any of the Galleries and ask

them to show you the photographs of my work etc. etc. (Satyendra Ghosal)
Sent to them. Please do your best for me for which I shall be always indebted to you.
