Dear Shri Raza,

To introduce My self; I am Dr. REVOLA, a newly graduated doctor from Andhra Pradesh, India. I am a self trained artist, 23 years old, Married and My wife Sauti too is a Painter.

Sir, I have seen a few of your earlier landscapes and I liked your works for their rich Pictorial value and Inclusiveness of horizon. Please let me know about your recent works.

Sir, we are planning to visit PARIS within few months. Since My childhood I have been aspiring to explore its museums and galleries. Sir, having graduated in Medicine I want to take an year off, before going to my specialisation, and work as well as exhibit at Paris. My father is a rich person and he will support me financially during <sup>our</sup> stay at Paris. My father knows a ~~Rich~~ Businessman at Paris who'll give me money on the agreement that my father pays him back in India.

Dear Shri Raza, there is nothing much to say about my art career. I have participated in a few group-shows at Madras and other places. I know S. G. Vasudevan and Nandalal of mine. Shri J. Sultan Ali is a very good friend of mine.

Sir, I have two problems, one is about <sup>our</sup> Accomodation in Paris. Both of us want to stay there ~~for a year~~ in a very modest, cheapest possible one room Apartment. Second is that I will not be allowed to stay for more than a week or two unless I produce a Maintenance Certificate. Sir, I want your kind cooperation and Advice in this Matter.

Sir, I can't straight-away ask you to do

any favour because you do not know anything about me until today

But sir, kindly try to help me and please remember

that I depend a lot on your reply.

Sir, At Present I am doing Landscapes in abstract. I

shall enclose a few reproductions in my next letter.

I hope you will drop your sympathetic advise as early

as possible.

Anticiping for your answer

trienly yours

Senoo
