Dear RAZA

You may have received my wire by now. I had to postpone my departure as I was able to get a pass (Press) for the Press Preview of Picasso's exhibition on 15th May. I was a bit wavering in mind about it as the show was opening to public on 22nd. and I did not want to spend this time in U.S. But getting a pass for the 13th decided my programme. Now I am leaving on the 15th May evening by the same Air India flight to London and after ~~a~~ waiting for 8 hours catch the Air India flight from London to Paris on 16th. at 2-30 P.M. and shall reach Paris at 4-30 P.M. I hope, you will be in Paris on 16th. Sorry for the botheration.

I may go out of N.Y. for a couple of days to see some old friends.

Best love. Love to Janine.

If there are any letters for me, kindly ~~you~~ - keep them.

Ram
