

For the love of abstract

ONGOING, till August 31, 11.30 am-6.30 pm: GR Santosh, Ganesh Haloi, Sunil Gawde, Neeraj Patel, Brinda Miller, SH Raza, Yogesh Rawal, Dev, Pandit Khairnar and Nitish Bhattacharya are some of the artists taking part in the 10th edition of A Point & Line to Plane X, a group art show at Gallery Beyond. The common thread that weaves these established and upcoming artists together is Abstract Expressionism. This abstraction is a purely expressive art, one that excludes all the styles of the past and has only one purpose; to inspire human nature towards beauty.
