

P.S If you can read this you are decrepit!

Razzy -

Sep '86

This probably is the most

Sazzy place  
to write a letter or remember  
your really love - if the words  
that take form while I write are  
crooked its become the  
Rice Special train is going  
at its fast pace - I am going  
back home from Poona racer  
after leaving of course - But  
the ~~the~~ all gambling is  
eventually leaving - is it all?  
you know Razzy - in my kind  
day is 1 day out, all the  
things I feel bad only  
because of the feeling in my  
of not sharing with you. Agostini

Roger - is a very smart  
 so like printing - it just  
 doesn't come of - just like that  
 for when it is just written  
 then it is a great official  
 letter - & so with other  
 crazy guys as you & Jamie  
 know him he always is  
 very the better always  
 makes him to write  
 in the unusual way  
 which of course takes place  
 of itself - Crooked but  
 true - red - even if written  
 ones - Blue Moar it's like  
 writing always - I remember  
 you always - think of you &  
 I miss - & also want to come

over to 15 km past Bert <sup>(Page 3)</sup> so much  
that you have no bloody idea —  
but then why the hell  
have you not come to Bury  
till now — you said you both  
would be here in 63 & 64  
definitely! — Well lot of  
things keep ~~on~~ happening  
since plotting plenty since  
spring — but nothing  
really drastic since I ~~the~~  
became a so called respectable  
married man — my poppy  
is a fine poppy & I am sure  
you both would like her  
— yes & I wait so much  
for her to meet you both —

(Page 4)  
I guess time is coming that  
we all will meet - here  
there or any where - & I  
am really looking forward to  
it - I know you must  
be as ever Busy in penitence  
& trying to care up the goods  
for Madame Jerathmey but  
is that all that life is - Why  
don't you after all these years  
of suffering & middle class  
living get the hell out of Plaza  
Vincay & become a free man  
for once & get the hell out  
of everything - boy - I would  
love that ~~just~~ & so would  
the Ant World - I still fantasize painting  
love ~~world~~ ~~world~~
