

Dear Raza Sahab,

Received your letter and also drawing papers. Lots of thanks, although I have not started my work but I am very much hopeful for good results on these papers. Somehow I couldn't go to Bombay till now but I had a phone talk with Mrs. Khurshed Gandhi. Most probably next week I may go to Bombay. Next year in Jan '89 I got Jehangir Art Gallery for my One Man Show in the first week so now I have to work hard for both exhibitions.

With my previous letter I sent some photographs by mistake one photo left so that one I am sending here with.

I am fine and well and wish the same for you.

Yours
