3. FAUTRIER - L'otage n° 7 - Collection particulière - 33 x 24 - 1943.

My dear Krishen -

No letter from you, though
wrote to Renu & you both.

7 Fautrier retrospective
is going on at Museum of
Modern Art. There is vision
& validity, but it leaves
you cold! May be the intensity
lacking, yet it is simple
direct & refreshing.

How it goes. Please write

All our love to you both, Renu
